

Scholarship Program Agreement, Guidelines, and Successful Tips

The purpose of this expectations affidavit is to provide clarity and guidance to the Miss America contract, and to highlight the guidelines of our program to ensure a **successful and enjoyable** year. Please understand, the success of the organization and future titleholders depends on our collective success, and as ambassadors of the organization, we will represent all Miss America programs with **humility, dignity, and grace** and not allow our actions to reflect any disfavor upon the organization.

- a. I understand I serve as an ambassador for Miss America, and I will welcome opportunities to volunteer on behalf of the organization by speaking at schools, churches, businesses, ribbon cuttings, civic clubs, engage with youth, and attend other events when the opportunities are made available. This is not mandatory, however, if an opportunity should arise, you may participate. However, I understand I must notify my Director of any event I plan to attend as a representative of the organization. If my Directors deem it to be inappropriate for me to attend, they may disapprove.
- b. The goal for both myself and the organization is that my time is enjoyable such that I renew my term after state competition and complete my time as titleholder, but understanding that school, work, life commitments may take precedent. I also understand that to continue in my titleholder role after State competition, I shall have the recommendation of my director to continue participation.
- c. Renewing my term of service means I will be available to continue serving as a titleholder in the community, wearing my sash and crown, posting on social media, assisting with the next rehearsal process by providing my input, mentorship, and attendance, and having a role at the next local competition event.

I understand I can set up my own appearances but I must let my Directors know beforehand. There are cases where I may be invited to attend an event but I must let my Directors know before the event.

Rules for out of area appearances / events (Miss CA rules)

- I may make an appearance anywhere in California if the appearance is related to my Community Service Initiative. If I am appearing in an area that is not within my community, my local Director must provide a courtesy notice to the licensed local Director.
- I may appear at the college/university that I am attending. If the school is located in another titleholder's area, my local Director must provide a courtesy notice to the licensed local Director.
- All other out-of-area appearances require the notification and consent of the local Director who holds the license to that area.
- VERY IMPORTANT: All notifications, consents, invitations etc. are local Director to local Director. These are not the titleholders' responsibility to arrange, and it is inappropriate for titleholders to do so. It also is inappropriate for a local director to contact another director's titleholder.

Preparation for Miss California

- d. State competition preparation should be the joint responsibility between my directors and myself.

Social Media

- a. Maintain my social media content dignity and grace, which includes responding to messages and comments in a timely manner. I agree to not change any social media logins or passwords without my directors consent. Non-compliance with this policy will result in a performance review that may subject me to removal of title, sash, and crown, and forfeiture of awarded prizes.
- b. Make social media posts weekly (if you are able to) that promote my activities, information, community service impact, events, and/or interactive discussions with my followers, sponsors,

fellow title holders, and/or committee members. I understand that my directors may post on my behalf.

Official Headshot and Crown Photographs

- a. Official headshots and photography sessions will be taken by our listed sponsors during my year. These photos may be used by Miss America, MCO and/or my local organization in all social media / promotional materials.

Sponsors and Donors

- a. I will not enter into any sponsorship agreement without first obtaining permission from my director.
- ❖ I understand and any provisions listed here are intended to supplement, not replace, any provisions in the Miss America agreement.
- ❖ If my directors believe that I am not completing my year as titleholder as expected and outlined in either the Miss America agreement or this expectations affidavit, I will receive written notice and I will discuss an improvement plan with my directors. If I do not adhere to the tenets of the improvement plan, I may be subject to corrective action, up to removal of my crown, sash, and title.

May this be one of the most enjoyable experiences of your life. Your directors are excited work with you and we look forward to being part of your journey. We want you to succeed! Here is to a successful and fun year as part of the organization.
